

COSSA Lady Hawks
Safe Range Handling Requirements

Range Rules

1. Handguns and magazines/speed-loaders brought to and removed from a Lady Hawks event venue must be completely unloaded and contained in a soft or hard gun case or a holster with retention strap or other device.
2. Do not handle or take the cased handgun from your vehicle until advised to do so by the lead instructor.
3. Keep the handgun cased at all times until advised by an instructor.
4. No firearms or live ammunition in the classroom.
5. Handguns brought to and from the firing line must be unloaded and cased.
6. Do not move to or depart from the firing line with the handgun in your hand.
7. No handgun shall be left unattended.
8. When not actually being fired, a handgun must be unloaded and:
 - a. Holstered or cased (at the direction of the instructor), OR
 - b. Benched, muzzle pointing down-range (at the targets) and action open.
9. Remember:
 - a. DOWN-RANGE *means* In front of the firing line. Toward the targets and in front of the gun.
 - b. UP-RANGE *means* Behind the firing line. To the rear of the firing line. Behind the gun.
